

Develop yourself as a leader.

2018 Women's Leadership Conference

Breakfast Keynote Speaker

Saturday, November 3, 2018 / 9:00 a.m. – 9:50 a.m.

Ruth S. Harley University Center, Adelphi University

Carol A. Ammon, MBA '79
Founder and Retired CEO & Chairman, Endo
Pharmaceuticals, Inc.

Carol A. Ammon is the founder and retired chief executive officer and chairman of Endo Pharmaceuticals Inc. In 1997, Ms. Ammon led a management buyout team and purchased 387 pharmaceutical products from the DuPont Merck Pharmaceutical Company to form Endo Pharmaceuticals Inc. Prior to forming Endo, Ms. Ammon spent 23 years in the pharmaceutical division of E.I. du Pont de Nemours and Company. Ms. Ammon was named the CEO of the Year in 2004 by the Eastern Technology Council. She is a former trustee of Adelphi University, Christina Care Health System,

Drexel University, and Delaware Art Museum.

Ms. Ammon earned a Bachelor of Arts degree in Biology from Central Connecticut State College. She also received an M.B.A. from Adelphi University and completed the Advance Management Program at Harvard University.
